About the Institute for Healthcare Improvement (IHI)

The Institute for Healthcare Improvement (IHI) is an independent, not-for-profit organisation based in Boston, Massachusetts, USA. For more than 25 years, IHI has used improvement science to advance and sustain better outcomes in health and health systems across the world. IHI brings awareness of safety and quality to millions, catalyzes learning and the systematic improvement of care, develops solutions to previously intractable challenges and mobilizes health systems, communities, regions and nations to reduce harm and deaths. IHI collaborates with a growing community to spark bold, inventive ways to improve the health of individuals and populations. IHI generates optimism, harvests fresh ideas and supports anyone, anywhere who wants to profoundly change health and healthcare for the better.
