

Pre Conference Workshop “MEDICAL LAWS AND YOU”

Overview

Join us for an illuminating pre-conference workshop presented in collaboration with the Institute of Medicine and Law. This workshop is meticulously designed to raise awareness and impart essential knowledge to medical professionals and administrators on the foundational principles of medical law and ethics.

Highlights

Audience Orientation: Tailored for medical professionals and administrators seeking a comprehensive understanding of the interplay between medical practice, law, and ethics.

Integration into Clinical Practice: Learn how to seamlessly integrate fundamental legal and ethical principles into daily clinical routines, fostering safer healthcare delivery.

Judicial Insights: Gain valuable perspectives from landmark Supreme Court judgments on medico-legal cases, providing a deeper understanding of legal nuances in healthcare.

Latest Guidelines and Directives: Stay abreast of the most recent guidelines and directives emanating from Hon'ble Courts and Tribunals of India, ensuring you are well-informed and compliant in your professional practice.
